

## Advertise with CTFishTalk.com

CTFishTalk.com was developed with the idea of creating a free online community for all types of Fishermen in and around the State of Connecticut.

Our mission is to create a strong alliance to support and bring forth the continued growth of the great sport of fishing through shared ideas, past experiences and making resources readily available at any time.

By advertising in with CTFT, marketers are able to:

- Reach a focused market with unlimited potential
- Reach groups and individuals within your local community and beyond
- Capture the attention of buyers 24 hours a day
- Save money with our cost-efficient rates
- Receive Statistics reporting Free

CTFishTalk.com is currently offering a special "**new website launch**" rate of only **\$10 per month** for a banner ad that will rotate throughout the forum.

This program also comes along with statistics reporting. Advertisers can log into a user interface and see how their banners are performing. We offer a simple interface which will show monthly, weekly, daily, and hourly statistics. Advertisers can also export reports in CSV format for use in Microsoft Excel.

We look forward to working together with you and supporting the great sport of fishing!
